

DA Says Orinda Speed Law Is Null and Void

The ordinance which was to limit the speed on certain portions of Moraga Highway, San Pablo Creek Road and Miner Road is "not in effect," Wakefield Taylor, Deputy District Attorney, told the ORINDA SUN today. In other words, the ordinance does not and never did exist as law.

HARD WORK

This interpretation nullifies the weeks of campaigning and inves-

tigation which many Orindans "successfully" completed before the so-called speed limit ordinance became a "law."

The ordinance was passed and adopted by the Board of Supervisors on January 24, 1949, but the Supervisors did not have the authority to pass such an ordinance, according to Taylor.

The California State Vehicle Code (Section 511.3 Paragraph B)

prohibits any local authority other than city or county authorities from reducing speed limits other than limits prescribed by the State vehicle code, Taylor explained.

BILL PENDING

"The Supervisors are thus left high and dry," Taylor said. "It is my opinion that the State code is erroneously drawn up but Howard Reed, local AAA representative,

informs me that a bill is pending in the State Legislature which would clarify the situation."

A city and county authority refers only to San Francisco, Taylor said, and the highways referred to in the ordinance are under the regulations in the State code.

"The State law prevails and not the county law as intended in the recently passed ordinance," Taylor concluded.

Burglary Victims Recover Part of Stolen Property

'Enormous' Tax Hike Hinted

Contra Costa County taxpayers who are expressing concern over the probability of large taxes will not have their fears allayed by a "hint" given at the Board of Supervisors' Monday meeting by Chairman W. J. Buchanan.

Denial of the request for a \$700 promotion fund, made by the Contra Costa Safety Council, brought out by the chairman the indication of an "enormous" tax rate for the fiscal year. The subject of taxes was not pursued in detail, but was included in a number of reasons why the supervisors did not deem it advisable to authorize the Council plea.

Safety Council president, Leslie Hackley, explained to the Board the money was needed to promote the various safety programs in the county.

Buchanan's reported reply was that "the Safety Council does a lot of good, but its functions are not those of the county."

He continued, "The county does not support private agencies with funds. To do so would open the door to every Chamber of Commerce in the county."

Classified advertisers using the columns of the SUN and Shopping News are guaranteed to get action, and lots of it, judging by a recent note received from what we take to be a satisfied customer.

Following is the letter:

Gentlemen:
"Enclosed is the check for \$1 for the 'for rent' ad you put in your paper. Thought you might be interested in the reply. I received no less than 69 calls, not including a four hour interval that I did not answer the telephone. Had to wrap the phone in a blanket so my youngster could take her afternoon nap. Still receiving a few calls.

The recent arrest of the "Crowbar Carl" gang has resulted in the recovery of some of the property lost when several Orinda homes were burglarized recently.

The Dr. M. H. Grove family reports that several items of clothing were recovered from the huge collection of property on display at the Santa Rita prison farm and Oakland City Hall. However, Mrs. Groves said that clothing recovered was in a very poor condition; an overcoat, recovered at the City Hall, was no longer "like new." The better items of clothing and a new typewriter have not been recovered as yet.

Mrs. William Tildsey reports that a valuable wrist watch was recovered at the Oakland City Hall and a suit of clothes from the Santa Rita Farm. They feel fortunate in recovering even this small part of the \$500 loss suffered in the February burglary.

One of the first Orinda families to be burglarized in the recent series, the Dr. E. J. Barretts report that they have not recovered any of their lost items. The stolen goods were too "saleable" and will take longer to trace, it was reported. Cameras, binoculars, camera light meter and a watch were probably long since converted into cash by the robbers. There is also a possibility that a gang other than the "Crowbar Carl" or "Bedspreed" gang did the "job," Mrs. Barrett said, because no bedspreeds or pillow cases were used to haul away the stolen loot.

At least five or six recent burglaries in the area will be definitely cleared up soon, Inspector Norman Wilson of the Sheriff's Office said. The great amount of recovered property and the difficulty of tracing goods already disposed of by the gang make complete recovery of stolen goods a slow process, Wilson stated.

Group Will Be Tax 'Watch Dogs'

Recent increases which have given Orinda and other county towns a tax rate larger than those of Berkeley, Oakland and San Francisco, have aroused a group of residents to form a taxpayer's association to investigate the reasons behind this.

At a preliminary meeting held April 5, discussion led to the planning of such an association. With this end in view, Lyle York, acting head of the interested group, has called a meeting of all taxpayers of the Orinda District to be held at Orinda Fire House, Wednesday, April 27 at 8 p.m.

George Horton, William Boies, Julian Unruh, O. B. Miller and Stuart Davis were the taxpayers present at the preliminary meeting, and they will assist York in the proposed organization of the new association.

In explaining the reasons for such an organization, York pointed out that only a small proportion of voters were even aware of the recent Acalanes School District election which raised the tax limits of the Acalanes School District. "Some of us who believe that a more vigilant watch should be kept on civic functions affecting the tax rate felt that an organization would fill this need," reported York.

Any property owner in the Orinda district will be welcomed to the April 27 meeting.

Spring Cleaning Plan for Orinda

Clean-up and Fire Prevention Week in Orinda has been planned for early in May, with civic groups and the Orinda Fire Department cooperating on the project.

The Fire Department has a chance to start on its hydrant program with the advent of good weather, and with additional hydrants to be installed in Moraga Meadows and Sleepy Hollow areas, as well as several other locations. East Bay Municipal Utility crews are installing a total of 25 new hydrants.

The clean-up and fire prevention project go hand in hand. Residents cleaning any accumulations of papers or trash from their property, not only help to make Orinda more presentable to the eye, but remove many fire hazards before hot weather arrives.

Assoc. to Join National Council

Orinda Association voted at a recent meeting to become a member of Contra Costa County branch of the National Safety Council, which has headquarters in Martinez. Fred Theile was appointed to represent the Association at Council meetings.

Herbert Hauser, Sr., has been ill and unable to visit State police headquarters on his Association assignment concerning police patrolling of the highway in front of Orinda School. He reports, however, that officers have been active in this area recently with several motorists arrested for passing the school buses.

Protest Hearing Set for Orinda Sewer District

Directors of Central Contra Costa Sanitary District are proceeding with plans for installing sewers in local improvement district 10, covering the northwest section of Orinda, after last week's Board meeting. Only one protest was filed and later withdrawn, leaving the way open for the opening of bids for construction work, at the April 28 meeting.

Required resolutions were passed initiating work on local improvement district 12, with protests to be heard at the meeting April 28. This district includes: Hacienda del Orinda Units 1 and part of 2, Orinda Village and Orinda School.

Affiliation with the Contra Costa County Employees Retirement Association in order to bring all eligible district employees under the retirement plan will be made possible through a resolution voted upon by the board.

J. T. Schroder of Walnut Creek is to act as insurance "agent" for the district in all policy coverages, following consultation of a Board committee with representatives of the Contra Costa County Insurance Agents Association. Other insurance brokers in the area will participate in the business on a prorated basis.

Red Cross Drive Captains Report

Mrs. Robert Bennett reports that those completing their Red Cross drive are:

First, Sector 22. Captain, Mrs. Alex Hayward, workers, Mesdames William Mordy, J. C. Ortland, Geo. Simmons and Parle White. Their amount was \$197.10.

Second, Sector 16. Captain, Mrs. Channing Kilburn and her workers; Mesdames W. Tyrrell, Joseph Lang, and Marguerite Schuler. Their amount was \$161.

Third, Sector 3. Captain, Mrs. Roy Stuart, and her workers; Mrs. Marshall Shapiro, Mrs. E. Le Noris, Mrs. Virginia Montagne, Phyllis Stuart, Gloria Rasmussen and Mims Groennings. Their collections amounted to \$267.35.

Fourth, Sector 15. Captain, Mrs. Alvin Wold. Her workers were: Mrs. Gene Hainlin, Dorothy Wold and Mrs. John J. Williams. Their collection totaled \$203.50.

Fifth, Sector 24. Captain, Mrs. W. Dale Nelson. Her workers were Mesdames J. De Biasi, E. D. McCormick, R. Thorp, E. D. Daxsie Jr., Ben Olsen, Dale Nelson and Richard Murphy. Amount collected was \$166.50.

Sixth, Sector 1. Captain, Mrs. Jack Jansse. Her workers were: Mesdames W. C. Crittenden, A. V. Scollard, Charles Phillips, and Sheldon Duncan. They collected \$233.

Seventh, Sector 19. Captain, Mrs. Vernon Axelson. Workers were Mrs. David Lewis, Lila Axelson and Mrs. Fred McManus. They collected \$122.50.

As of Monday, April 4, Orinda has contributed \$2251.55, Mrs. Bennett reports. This is still short of the goal set. When all sectors have been heard from it is hoped that Orinda will have gone "over the top."

An Ode to Orinda... by the Rounder

Their Cattle get chased and their dogs get shot;
They build their homes on other guys' lots.

The rattlesnakes roam through the brush next door
And they swear up and down they can stand no more.

Their homes get robbed while the Sheriff's away;
Their hills are filled with foxes at lay.
They fight mosquitos and moths in their oaks
And have to listen to FRED BECKNER'S jokes.

LOOKS LIKE THE FARMER AND HIS WIFE HAVE COME TO STAY. And Betty Broderick's sketch of Silent Cal doesn't approve of something. A determined visitor is Wirtabel Harris while Keene Pettengill very obviously has his hands full with his part in the Orinda Dramateurs' "January Thaw" to be presented Friday and Saturday at Acalanes High School. Record Collection Worshippers Will For Dimes Drive Assemble In Orinda Theater

Figures recently released by Contra Costa March of Dimes Chapter for the 1949 fund-raising drive show a marked increase over the record collection of last year, according to William J. Scanlon, Campaign Director for the County.

Figures quoted for Orinda show an increase of \$187.91 with last year's total listed as \$1116.09 and that of 1949, \$1304.00. Since these figures do not include additional funds realized through the March of Dimes Dance, final reports will show an even larger increase over the 1948 figures.

Mrs. Ernest Speigl acted as March of Dimes chairman for the Orinda area, and she and her assistants are credited with the success of the local drive.

Orinda Lions Hear Dr. Cornish

Dr. Robert E. Cornish, prominent Berkeley chemist, was guest speaker at the Orinda Lions Club meeting held at the Willows on Wednesday night.

Dr. Cornish, who took his degree at the University of California and worked on the campus for several years, gained national recognition due to his research on resuscitation which was the topic he discussed before the Lions.

The churchlike strains of an organ and the voices of two choirs will bring Easter inspiration to the congregation assembled in the Orinda Theatre next Sunday morning at 10:30 o'clock. For the fifth consecutive year the Orinda community, by the cooperation of the theatre owners and manager Ben Randall, is able to worship as one big family in the one place large enough to hold them all. The Easter Service will be conducted by the Rev. Fred Morrow, whose sermon theme has been announced as "If This Poor Tent Is Taken Down."

At the organ Mrs. Charles P. Baker will play several sacred selections, including two numbers by Brahms: "O world, I e'en must leave thee," and "A lovely rose is blooming." Palestrina's "The strife is o'er," and "The heavens declare," by Haydn.

The Junior choir of fifty children's voices is to sing "O Lord most merciful," by Cesar Franck, and "Praise we our God," by Melchior Vulpius. Haydn Morgan's "God is the light of the World" and "Joy fills the morning," by Antonio Lotti, are among the choral numbers to be presented by the senior church choir. Mary Elizabeth Tomme is the director of music.

Banked Easter lilies will adorn the special altar as memorials. Those who wish to present lilies for this purpose may still do so, according to Mrs. G. Chester Brown who is in charge of the setting. Ushering will be in the care of the Board of Deacons of the Community Church.

Children too young to attend the service may be left with trained supervisors at the church Children's Unit. Those of school age customarily attend the theatre service with their parents.

ALLEN CHILDREN AT HOME

Susan and Dick Allen, children of Mr. and Mrs. Stanley Allen, came home yesterday from Merritt Hospital where they had their tonsils removed.

Barbershoppers Elect Officers

New officers elected at the Orinda Barbershoppers' recent meeting were: president, Mike Murphy; vice president, John Ogden; secretary, Paul Pease; treasurer, Iver Jacobsen.

The Barbershoppers discussed the second night of harmony to be held sometime in June at Acalanes.

Stepping out of office were: president, Claude Hazlett; vice president, Mike Murphy; secretary, C. S. Bumgarner; and treasurer, W. T. Bradley.

Buchanan Field Easter Egg Hunt

Buchanan Field operators are sponsoring an Easter Egg Hunt at the field on Sunday, April 17 at 2 p.m. The Hunt is open to the public.

Over 1000 Easter eggs, both hard boiled and candy, will be hidden for the children to search for. Finders of specially marked eggs will win prizes of airplane rides or merchandise orders.

Children up to five years will have their own group egg hunt, and another has been planned for children from 5 to 12.

Red Cross Drive Ends April 15

On April 15 the Red Cross campaign of 1949 will be at an end. By that time Mrs. Robert Bennett feels confident that Orinda will have contributed more than the \$3000 set as the goal.

Any one who has not been contacted but who wishes to contribute please phone Mrs. Bennett, Orinda 6436.

Report from Sacramento

By ASSEMBLYMAN
ROBERT L. CONDON

Sacramento's notable warm weather has come early this year, according to old-timers. And the same old-timers are saying the heat generated in the committees is early on the legislative calendar too.

Since most major proposals have not reached the "two-house approval" point as yet, the noteworthy battles are still being waged in committees.

DANCE INSTRUCTORS

Assemblyman Dolwig's controversial proposal to regulate, by licensing, the dance instruction business, was given the death blow in committee last week.

Authors of other bills, designed to set up additional state boards and licensing for various unregulated industries, are interpreting the committee's refusal to mean a "no" vote on their measures as well. The bill to regulate shoe repairing will probably go under as a result of this action.

WOMEN

The distaff were well-armed last Thursday night when they won approval of the Assembly Industrial Relations Committee of three bills, substantially alike, requiring "equal pay for equal work" for women.

The author of one of the bills, Assemblyman Augustus Hawkins, has sponsored this legislation for three sessions now. Each time it has gained approval of the Assembly, but has been turned down in the Senate.

PENSIONS

Myrtle Williams lost her fight before the Assembly Ways and Means Committee for funds for permanent Regional offices to administer the aid to the aged and needy blind program. Mrs. Williams, who was named as Director of Social Welfare when the voters approved Proposition No. 4 last November, was told to run one pilot office and see how it worked before embarking on a permanent administrative program.

One of the biggest questions at the State Capitol is whether Governor Warren will call a special election if the movement to repeal Proposition No. 4 obtains enough signatures, as is apparently the case. The Pension people hope that he does call such a special election. They contend that they

would win because the aged would all be out to vote.

MISCELLANY

The Senate-approved "Hot Cargo" measure, forbidding secondary boycotts, will be heard by the Assembly Industrial Relations Committee on April 28. It is certain the Committee will disapprove the measure.

The Assembly Transportation Committee stamped approval on a bill adding approximately eighty miles to the state highways. The addition consists of a stretch from Jenner on the Russian River south to Marin County, and another coastal piece from Westport north to Eureka.

The Governor's billion dollar budget will probably reach the floor of the Assembly about May Day. The Senate Labor Committee has okayed an Assembly-originated memorial to Congress asking a 75-cent per hour minimum wage. Compelling argument was that the action would require southern states to pay comparable wages and so insure California would not be at a competitive disadvantage.

Group Discusses Peace Problems

Over 20 United World Federalists and interested friends met at the home of Mr. and Mrs. Lance Barden Wednesday.

Subject for discussion was "The Atlantic Pact In Relation to World Federalism," with Clarence Stone in charge. Movies entitled "One World Or None" and "How To Conquer War" were shown by Stone, assisted by Mrs. C. W. High of Lafayette. Pictures and maps showing the development of atomic energy and the consequences resulting from use of the atomic bomb were shown.

Defects of the United Nations Charter and Article 51 in particular, were discussed by Mrs. Sewall Smith of Lafayette, and a form of collective defense under the UN setup was discussed by the group. The need for a permanent arrangement with a treaty ratified by the various countries was brought out by Mrs. Smith.

YOUTH GROUP RALLY

Several members of the Lafayette chapter of the Youth Group attended a Rally in Richmond on April 8. The members were transported there by Rev. Shaner.

THIS IS AMERICA!

Captain Sandford Sez:

This is about certain types of persons who take what I think are appalling liberties with other people's property. It is like this: We, who live in these hills, have learned to try to be ready for fire, so we leave our hoses attached and expertly coiled ready for any emergency.

Then, when we are not around the stupid nit-wit arrives, disconnects the hose, probably to drink, and leaves it off. Then comes the fire; you rush to the hose; it is not ready; in your haste the thread is stubborn and valuable time is lost. It is not a bad idea to leave other people's property entirely alone, or at least, if you must meddle, leave things exactly as you found them.

Lady on horseback tried to cross the highway at Upper Happy Valley Road on a Sunday afternoon. Finally she dismounted and thought she could lead her horse over. I volunteered to stop the traffic for her; she did not want that. Not one single driver made the faintest gesture of courtesy to her. She never did cross the highway there, but told me later that she had to ride to Thompson Road and cross at the stop lights to reach her home alive.

How does this sound? Let us gather about six good stout citizens, secure several poles about 6 foot long, paint them white and tack a large red flag to each one, then, one Sunday afternoon we could station ourselves at Upper Happy Valley Road and the Highway and when any person needed help, we could jump in and stop the procession of racing lunatics. One human life should surely be worth the few moments of a raving maniac's time.

A lady friend of mine speaking of a Scotch Bagpipe Band said that she loved their music and the rhythm of their marching. (They use a longer and more swinging step than any other troops). And she finished by saying, "And they always look so proud of themselves."

Girl Scouting Moves Ahead

(This is a supplement to the series of three articles which appeared recently. It is written by request for the many parents who want to know what they can do to help in their daughters' Girl Scout work.)

So! Your daughter is going to be a Scout! ... either a Brownie Scout (7 to 10 years of age), an Intermediate Scout, (10 to 14 years of age) or a Senior Scout, (14 to 18 years of age).

This means that she will have the fun of belonging to a club of her own; of learning crafts, home-making, health activities, safety precautions, nature lore, outdoor skills such as cooking, hiking and camping, dancing, singing, dramatics and sports. It means she will obtain some understanding of agriculture, of international problems.

It is hoped that she will learn tolerance, kindness, friendliness, and the ability to be self-reliant. It means also that she will be able to participate in some type of camping opportunity, either day camp, summer camp, troop or overnight camping. It means that she will meet girls like herself

who are in Girl Scouting from all over the state and world.

And YOU are going to be a Girl Scout Parent! What does this mean to you? It should mean that you too will learn more about international understanding, tolerance, friendliness, kindness, and doing for others. Even more important, it means that you will soon get to know the children with whom your daughter associates, the adults with whom your daughter is working in this club of hers. It should mean that you will be

Letters to the Editor

DEAR EDITOR:

Bus transportation and the costs thereof have always been a live subject for discussion in this area. Especially so right now since investigative groups have been named by the communities served by Greyhound.

Far be it from me, a regular commuter for quite a number of years, to argue for higher fares and fewer schedules, but why not look the facts in the face while the surveys are being made by the "fact-finding" committees.

Here are a few facts that are worth study:

1. The commute rate from here to San Francisco (\$14.00) is the same as that charged many years ago by the Sacramento Northern. (This includes bridge toll).

2. Bus drivers are paid more today than they were then and they, no doubt, get less than they are worth when you consider the number of hours they have to put in and the people they have to put up with to earn their pay.

3. Busses and equipment cost much more today than they did 10 years ago, and on top of that, customers keep clamoring for more conveniences.

4. 116 busses are scheduled through Lafayette every day of the week by Greyhound.

5. Many of these schedules are extremely light. The one this writer takes to San Francisco at 2:15 carries an average of about 10 passengers — many times much less.

6. On eight of these schedules — between Martinez and Lafayette through Pleasant Hills area — customers are practically non-existent. The service is maintained mostly for convenience.

7. An examination of the Company's books would probably show a very light margin of profit, if any, on the commuter business.

8. It's the transient or occasional rider that pays the expenses of operation and if it were not for the heavy soldier traffic originating at Camp Stoneman we, more than likely, would have far less service than we enjoy now.

9. The rate to San Francisco to which the study will be dele-

and return during March was \$1.15 from Lafayette. That rate was voluntarily reduced, we understand, April 1 to about a dollar.

10. That rate represents a very slight increase when you compare all of the other costs that have been very great the last few years.

There are many more points that could be brought up for any well organized study of our transportation problem but these 10 will give you a few ideas of what the company is up against.

Being a commuter of long standing, myself, the service and financial woes of those who use the service are also well known to this writer.

But in our clamor for service and rates we've got to look at the Greyhound's side of the picture, too, if an intelligent answer is to be given to the problem. We can't expect curb service, and plush lined seats unless we are willing to pay for it.

If living out here isn't worth standing up occasionally to get to or from work, we should move into the "city" where we can stand up on the municipally operated car lines.

Anyway, if a survey of bus transportation is to be the subject for an area-wide survey, the group gated should take a look at both sides of the situation. They are going to have to "grab" a few busses throughout the day and night before they can really see what is going on.

We'll grant that the situation is bad sometimes but we'll venture the guess that if an honest and searching survey is made the committees will discover that Greyhound is doing a swell transportation job, with a conscientious bunch of drivers, and under conditions that, at the present time, are not bringing in any great return on the investment.

Army Reserve Officers Assigned

A group of local officers have been singled out to receive appointments to staging area command, newest and largest Army Reserve unit in the East Bay, according to Lt. Col. Kenneth Peck of Walnut Creek, chief of operations division for the command.

Mothers Enjoy Book Review

A record attendance of Mothers enjoyed the book review and business session of the Orinda Nursery School Association recently in the school building at the Community Church.

Mrs. Robert MacNeur related the experiences of a "Jungle Wife" and refreshments were served by six hostesses. In charge of the social hour were Mesdames Wilbur Twining, Clinton DeWitt, Thomas Telfer, Carl S. Winquist, Robert R. Weir and Mrs. Jean Ward.

Sun Valley, administrative officer transient; Lt. Robert L. Williams, Orinda, censorship; Capt. Joe N. Boone, Lafayette, processing and inspecting; Lt. J. D. Van Dyne, Orinda, laundry.

Mobilization assignment of the new unit of which these officers are a part, is to operate a large staging area such as Camp Stoneman, either locally or overseas, as the occasion might arise. Personnel requirements for a full staff complement calls for 284 officers headed by a brigadier general, 12 warrant officers and an enlisted personnel of more than 3,000 men.

TONSILECTOMIES

Little Diane Calou, daughter of Mr. and Mrs. Raymond Calou of Moraga Boulevard, and Alyce Mason, daughter of Mr. and Mrs. W. W. Mason of Bickerstaff Avenue, are recovering from recent tonsilectomies. Diane's operation was performed at Peralta Hospital on April 4, and Alyce had her tonsils removed on Tuesday at Herrick Memorial.

Fashion Festival Plans Completed

Walnut Branch of Children's Hospital of the East Bay held the April meeting at the home of Mrs. Harmon Howard with Mrs. Gorrill Butler of Concord and Mrs. Robert Bishop of Walnut Creek as hostesses.

Plans were completed for their fourth annual Festival of Fashions and Flowers which will be held April 26, 2 p.m. at the Art and Garden Center in Walnut Creek. Mrs. Owen Williams, chairman of the Branch, announced that the committee members, headed by Mrs. Fred Wilkins, will meet for lunch this week at the Art and Garden Center to discuss details of the fashion show with Mrs. Calvin Nelson, who again this year will be the commentator.

Following the fashion show, tea will be served with the following women pouring at the tea tables: Mesdames J. Warren McKibben, Charles P. Howard, Frank H. Barney, Joseph E. Clifford, Edward C. Counter, Jr., E. Stewart, Carleton Hawes, T. H. Hook, J. L. Coolsey, C. E. Peters, Edward B. Radford, M. C. Bolender, Charles J. Hart and Louis Kamp.

Proceeds go to the Hospital to take care of children from Contra Costa County on a free care or part pay basis. The Hospital is a non-profit organization deriving income from three sources: work of the branches, fees from patients and Community Chests.

Co-operation of Weatherman Needed For Annual Orinda Garden Tour

At this point, members of the Orinda Garden Club are perfectly willing to make a charter member of any weatherman who can produce the proper ingredients for a perfect Spring day, which is all that is needed to make the widely publicized Orinda Spring Home Garden Tour a success. It will be held April 20 from 10 a.m. to 4 p.m.

The recent pleasant weather has brought the gardens to be offered for inspection in the tour to the point of near perfection. The gardens shown will include those of Dr. Woodburn K. Lamb, Wallace Ballinger, Mrs. Wallace Alexander, R. W. Merrill and R. W. Breuner.

SERVE LUNCH

The Orinda Country Club, in co-operation with the garden club, will make a luncheon service available to those holding tickets, but reservations for this feature must be made by April 18.

Anticipating a crowd twice the

size of that at the previous tour, Mrs. James Anderson, traffic committee chairman has announced that California Highway Patrolmen, with the aid of Kendrick Morris and Boy Scouts of Troop 207, will supervise traffic and facilitate parking. The club traffic group will supply exact addresses of the gardens to be inspected and the most advisable routes for getting there.

TICKET SALES

Mrs. Ritchie Smith, chairman of the ticket sales committee, reports that tickets may be secured from any member of the Orinda Garden Club, or by calling Orinda 2809. They will also be available at any of the gardens on the itinerary the day of the tour.

Mrs. Neal East, club president, predicts a very successful day if the weather matches the enthusiastic response to plans for the tour.

Garden Section To Meet Tuesday

Mrs. W. W. Wilson of the Orinda Garden Club will be the guest speaker at the Garden Section of the Lafayette Forum on Tuesday, 2 p.m. at the Community Church.

Mrs. Wilson will talk on "Potted Plants" their culture and uses, particularly for outdoor display in patios and porches, the delight they can give one and the simplicity of their care.

Mrs. J. M. Hatfield, chairman, will give the members several timely garden hints.

Members are asked to bring plants for the exchange table, which will be sold, the proceeds going into the building fund.

Eastern Star to Honor Officers

Bertha Ryan and Paul Ruff, Worthy Matron and Worthy Patron respectively of Almona chapter Order of Eastern Star of Walnut Creek, will be honored by officers and members of the Chapter following the meeting Saturday in the Masonic Temple. Dale Ellsworth, Associate Matron, is in charge of the evening.

Track Team Beats Paper City Boys

Seventy-five Acalanes tracksters travelled to Antioch April 6 and when the dust had cleared the scoreboard showed 62½ for the Dons and 50% for the paper city contingent.

In the Bees' meet it was 81 for Antioch and 24 for Acalanes.

The varsity meet found the local lads with seven as their lucky number, ringing up seven firsts, seven seconds and seven thirds.

John Neighbor's 5' 10" in the high jump and Bruce Harding's 129' in the discus were two of the better marks.

In the Bees Joie Pierson posted a 39.1 in the 330 while Frank Orme stopped the clocks at 1:35 in the 660.

FROM THE SIDELINES

By Coach Erwin Mattson

Predictions that the county baseball race will be close has been borne out by the games played to date.

Not a club stands with an unblemished record and the second division teams are definitely on the upgrade.

The Dons and Alhambra Bulldogs are tied for the lead with three wins as against a single loss.

ANYBODYS BALL GAME

It's anybody's ball game from here on in and fans are due to see some thrillers.

Incidentally, Alhambra set a new record for paid attendance when the Acalanes - Bulldog game drew one hundred and sixty three dollars at the gate. Diablo and Alhambra hit the one hundred and sixty dollar mark.

Alhambra is the only team in the league which charges admission due to the fact that they are the only ones to play under the lights. Afternoon ball finds but few fans able to attend whereas the after dark tilts find Joe Fan in attendance in ever increasing numbers.

THE CINDER PATH

Acalanes tracksters have a real job on their hands following Easter vacation.

First meet following the return to school finds them meeting up with Diablo at the latter oval.

On the basis of their showings against Alhambra the two should put on as tight a race as the proverbial skin on a bass drum.

A CLOSE ONE

On paper it is tough to figure and it could well come down to the relay all tied up.

Lack of top strength and depth in the sprints could well swing the meet in Diablo's favor. Top sprinters in the county are few in number. By top we mean those who can run 10:2 and under consistently.

One often reads of this athlete and that athlete who can run 10 flat in the hundred. Often the claim is made that a player in full football attire can do it. We have as yet to see one do it with an

unbiased stop watch as the final evidence.

BORN NOT MADE

Ten flat runners come along ever so often and they are born not made. Top training and coaching can improve any athlete but on top of that the athlete must possess physical attributes and speed is definitely a part of heredity. Practice can improve but it still can't do all of the job.

Incidentally, if you are a track fan and can make it, do go to the Acalanes-Diablo meet at the Concord High School Field, Friday, April 22nd.

The meet starts at 3:15 p.m. and not only will you witness good competition but you will see an outstanding track with all of the facilities that make for a good meet. Track, runways and pits are new and in many respects the plant is better equipped than many colleges.

Coincidence occurs on the pitching staff of Acalanes High in that two of the boys were understudies to the two chuckers who were selected as the Bay Area's outstanding performers and sent to New York in 1947.

The two All-Stars were Don Ferrarese, now with the Oaks, and

Ken Figeroid, now with the St. Mary's College varsity.
ST. MARY'S HIGH

Figeroid went to St. Mary's High. One of the Dons' present chuckers, Mel Querio, was a sophomore there at the time.

Dave Johnson, last year's pennant winning hurler, was a sophomore at Acalanes during Ferrarese's senior year.

Johnson and Querio appear to be headed for a banner season and will be backed by Ken Green, Forrest Borghesani and Roy Van den Huevel on the mound.

A number of good freshman prospects appear among those who will make the grade which bids well for the future.

THE OLD ARM

A good arm is one of the prerequisites and a boy strong with the bat can make up for a de-

Local Paddlers Split Dual Meet

The Don paddlers met Berkeley High in a dual meet at the college city pool April 6 and dropped the varsity meet 52-23 but came back in the Bees to win 31-26.

Best mark of the day for the Bees was Tony Biggs' 28:6 in the 50 yard free style race.

efficiency in the fielding end, although it's nice to have all three along with ten flat speed.

One of the tests for candidates consists of running the bases with a stop watch timing the runner. Mud and tennis shoes has resulted in slower than usual time. Dry weather will bring further testing and give a better indication of true speed.

ONE OF TODAY'S BIGGEST BARGAINS

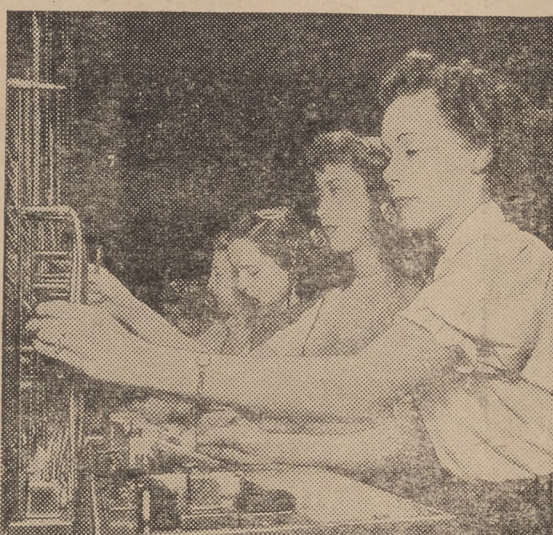

How your telephone gives you more real value today in spite of sharply-increased costs of furnishing service

1. For a quick call to the druggist, for business, for every purpose, your telephone is a more valuable servant today than ever. It can run more errands, do more jobs. In the past ten years, telephones on the Coast have doubled. We're continuing to add them rapidly. Result: You can get in touch with more people. More people can get in touch with you.

2. If you could see how much expensive equipment goes to work for you each time you make a call, you might wonder how it can be done... for just a few dollars a month. Lines, cables, poles, buildings, intricate equipment—all must be ready... along with the people who man them... to serve you when you pick up your telephone.

3. More "Voices with a Smile" are serving the West today... our payroll is the biggest ever. Postwar costs have shot up all along the line on the things we do to provide service. The facilities to serve new telephones today cost about twice as much as prewar. Yet telephone rates are up much less than almost anything we buy or you buy.

4. There is no way to determine the full value of a telephone, of course. A call may be routine—or it may save a life, make a new friend, close a business deal. Yet a few pennies still buy a telephone call. In these days of high prices, it's good to know that your telephone keeps giving you real value—it's one of today's biggest bargains.

World's Biggest Pipeline will bring more natural gas to California

This Giant Gasway will bring a tremendous new supply of natural gas to California all the way from Texas and New Mexico. P. G. and E.'s section of the 1600 mile project will be 506 miles long, 34 inches in diameter—the biggest high pressure gas

line undertaken anywhere. Work starts this Spring. For months to come, men and machines will be trenching and laying pipe through desert and prairie, across mountains and rivers. First deliveries of 150,000,000 cubic feet a day are due Jan. 1, 1951.

Power trenchers will sink sharp metal teeth into the earth along a route from Texas and New Mexico to Needles on the California-Arizona border...then on to the Bay Area for distribution.

More fuel for California homes and factories—the new line ultimately can deliver more than 400,000,000 cubic feet of gas a day. That's nearly equal to the present average customer demand.

FOR THE RECORD

Nearly 200,000 tons of steel will be used in the California section of the line.

The gas will be fed into P. G. and E.'s distribution network of nearly 11,000 miles of gas lines.

Open Registration At Nursery School

Registration is open for the Fall semester of the Orinda Nursery School. Forty youngsters between the ages of 3½ and Kindergarten attend the Monday, Wednesday, Friday school under the directorship of Mrs. W. A. (Myrtle) Patterson. Twenty-five younger ones are present on Tuesday and Thursday with Mrs. Robert Anthonisen as director.

All mothers in the Orinda area who wish their children enrolled for the 1949-1950 school year should call Mrs. Vance Reynolds, Orinda 2094, who is in charge of the younger set and Mrs. Douglas Garneau, Orinda 2870 for the Monday — Wednesday — Friday group.

Sunrise Service Sunday in Orinda

Adults and young people are invited to attend Orinda's first Easter sunrise service to be held Sunday morning at 8:30 on the open hillside above the Orinda Community Church in the Community Center.

Those extending the invitation are members of the Pilgrim Fellowship, local high school age group under the sponsorship of Mr. and Mrs. Fred Twining. Jim Hall's trumpet will sound the opening call and accompany the worshippers in hymns appropriate to the day. Roger Dunn, Fellowship president, and other officers and members will take part.

Following the sunrise service, the Twinings have invited the members of the Pilgrim Fellowship group to a breakfast at their home.

Rotary Will Celebrate Charter With Dinner Dance

Official presentation of their new charter will mark the evening of Wednesday, April 20, when Orinda Rotary Club members will celebrate at a "ladies evening" with a dinner, dance and entertainment program at Mt. Diablo Country Club.

"Shan" Shannon of Redding, Past District Governor of Rotary International, will be one of the featured speakers to congratulate Orinda Rotarians on acquiring the new charter. District Governor Al Tisch of Chico will officially present the charter to Merle Brown, Orinda Club president.

Brown has announced that Matt Connelly will serve as master of ceremonies for the evening, which will also include a program of music presented by the Barbershop Quartette and The Uncalled Four, and dancing to the tunes of Gordon Heche and his orchestra.

Phyllis Trembath Is Engaged

While attending a shower for her cousin, Carol Le Moin, Phyllis Trembath revealed news of her betrothal to Bruce Hiebert of Antioch. The engagement was told by a tiny card attached to a bouquet of pink and white flowers handed to the hostess, Mrs. Carlton Seabury of Sacramento.

Phyllis attended Acalanes High School and the University of California at Davis. She is the daughter of Mrs. I. R. Gandel and the late Richard Trembath.

The benedict is the son of Mrs. Ralph Hiebert of Antioch.

Two Slightly Injured In Three Way Accident

Two persons, Mrs. R. L. Bru and Mrs. John King, were slightly injured last Sunday when three cars collided at the Mt. Diablo Boulevard, Main Street stop signal in Walnut Creek.

A car driven by Kathleen J. Elliott, 26 Normany Lane, Orinda, bumped into one driven by Robert Bru of Walnut Creek, shoving it into the car of Ora A. Shaver which had stopped for the light.

The injured parties declined medical treatment and no citations were issued, according to Officer R. E. Ault.

Overtime and Saturday work shall be paid for at double the normal hourly rate except as noted below for Cement Finishers and Truck Drivers, and work on Sundays and Holidays shall be paid for at double the normal hourly rate.

The foregoing schedule of prevailing rates of wages, and rates for overtime, Sunday and Legal Holidays, is based, unless otherwise specified, upon a working day of eight (8) hours.

Overtime and Saturday rates for Truck Drivers shall be at one and one-half (1½) times the normal hourly rate.

The first two hours overtime, after a normal eight (8) hour day, for Cement Finishers shall be at one and one-half (1½) times the normal rate and further overtime shall be at double the normal rate. Saturday work for Cement Finishers shall be at one and one-half (1½) times the normal rate for the first eight (8) hours worked and at double the normal rate for all further time worked on Saturdays.

NOTICE IS ALSO HEREBY GIVEN BIDDERS that it shall be mandatory upon the contractor to whom the contract is awarded, and upon all subcontractors under him, to pay not less than said general prevailing rates of per diem wages,

as above listed, to all laborers, workmen, and mechanics employed in the execution of the contract.

Before submitting proposals, the bidder shall be licensed in accordance with the provisions of Chapter 9, Division III, of the Business and Professions Code, Chapter 37 of the Statutes of 1939, as amended, of the State of California, which provides for the registration and licensing of contractors.

Each bidder must submit with his proposal a statement of his financial responsibility, technical ability and experience on the form to be furnished prospective bidders, and a statement as to whether the bidder is an individual, a partnership, a joint venture, or a corporation.

Each bidder shall submit with his bid, on the form provided, the name and address of each subcontractor, including the principal suppliers of materials, and the portion of the work which each subcontractor will do. If the con-

tractor fails to name the subcontractors in his proposal, he shall be deemed to have agreed to perform such portion of the work himself and shall not be permitted to subcontract said portion of work without previous written permission of the Sanitary District Board.

ALL PROPOSALS or BIDS must be delivered to the undersigned Secretary of said District Board at its office at 1822 Mt. Diablo Boulevard, Walnut Creek, California, on the 28th day of April, 1949, up to the hour of 8:00 o'clock p.m., on which day at the hour of 8:15 o'clock p.m., in said office of said District Board said PROPOSALS or BIDS shall be publicly opened, examined and declared, and each PROPOSAL or BID must be accompanied by a check certified without qualification by a responsible bank, payable to Central Contra Costa Sanitary District for an amount not less than TEN PER CENT (10%) of the aggregate of the proposal or

by a bond for said amount and so payable signed by the Bidder and two Sureties, all as prescribed by law.

BY ORDER OF THE DISTRICT BOARD, CENTRAL CONTRA COSTA SANITARY DISTRICT.

- Winners of the American Legion Poppy Poster Contest were chosen last week. Poppy Poster awards for the Acalanes High School will be given jointly by the Lafayette American Legion Auxiliary, 517, and the American Legion Auxiliary of Walnut Creek, 115, according to Mrs. Inez Long, Lafayette Poppy chairman. Mrs. Mildred Ravizza is the Poppy chairman for the Walnut Creek unit.

The Lafayette Auxiliary will make the awards for the Lafayette

Florence Henderson of Lafayette.

Feature of the program was the reading by Elizabeth Miles of Lloyd Douglas's last book "The Big Fisherman." The gripping story was very well interpreted by the reader and made a profound impression upon the listeners.

Department in Wiseman

For the past 17 years we have been active in the furniture industry, and during the last 5 years have we dealt exclusively in appliances. And once again factories are turning out beautifully-designed, well-made furniture that is equal to pre-war standards. We announce the opening of our new furniture department in Wiseman's. From now on, furniture will share the spotlight with our appliances. We are located in northern California. We have thousands of customers.

For the past 5 years have we been turning out beautiful furniture.

And once again factories are turning out beautifully made furniture that is equal to pre-war standards.

So with pride we announce the opening of our new furniture department in Wiseman's Lafayette store — on April 29th. Henceforth, furniture will share the spotlight with our appliance department, which incidentally is one of the largest in northern California. We cordially invite the many new homeowners in this area as well as the thousands of our customer-friends to visit our new department and see the unexcelled furniture of these famous manufacturers:

Our Horseman's Paradise...

By ADA M. MORGAN

Vivien Duvander, of O'Connor Drive, who is a student at U.C., Davis, exhibited one of the college's thoroughbred broodmares during the horse show held on the Cal-Aggies Picnic Day last Saturday.

Vivien had her exceedingly good-looking mare so slick and shining and immaculate that she sparkled. The mare "Alice" is a fine broodmare with strong and famous bloodlines. She is by "Final Appeal," the renowned stallion that was stationed at Davis for many years, and the good mare "Rock Salad." "Alice" has produced some noted colts. Vivien can well be complimented on the nice way she handled the mare in the ring.

Another young equestrienne from this area, Nancy Confer of Pleasant Hill Road, who is also a student at Davis, also brought back some honors from the Cal-Aggie horse show. She rode her mount into first place in the stock horse class, competing against a field of fifteen. She also took third in the hotly contested stake race, again riding her own horse.

BAD SPILL IN JUMP

It was a bad spill for Celia Gray, eleven year old Lafayette Grammar School student, last week while she was practicing jumps for forthcoming show jumping competition.

This is the second season Celia will be showing her jumper. She started last year on this part of her horsemanship, having shown mounts in various other classes for many years, and this is her first bad spill. While putting her hunter "Brian Boru" over fence obstacles at the Concord-Mt. Diablo Trail Riders' grounds she and her mount "turned turtle" through one of those freakish, unexpected happenstances. The hunter came out O.K. and Celia, luckily, only with bruises, a concussion, and a skinned-up face.

After a few days in bed Celia is now up and around, and will be showing her jumper soon. Rudy Pflug, Upper Reliez Valley,

is finding these nice warm sunny days ideal for playing around and enjoying his sorrel gelding. This sorrel is the one he got from Dick Fender about a year ago.

SPRING MEANS WORK

The warm Spring weather isn't doing so much for Old-Timer Bart Gerow of Lower Reliez Valley. Not when it comes to getting around to riding his Palomino, "Flag," at least! Spring weather brings plowing and additional farming tasks, and Bart says he hasn't had time for a coon's age to ride anywhere. Bart, who is way-up-there in age, still enjoys working cattle on Flag.

Algiers, the widely known and publicized Albino stallion owned by Frank King, Senior, of Lafayette, was accidentally killed a short time ago. Death, I understand, was due to a broken neck. The stallion, better known here as "Pinky," was used extensively in the experimental breeding program to produce Palominos, carried on by King and Dr. W. E. Castle of the University of California.

This program's various phases have been progressing for the past fifteen years. Mr. King and Dr. Castle, an associate in genetics at the University and one of the leading authorities on the genetics of horse coloration, have in their breeding program put to test many theories concerning the mating of differently colored horses in the attempt to get Palomino colored offspring. Their experiments have shown that horses with certain inheritant color units or genes, when mated, will produce 100 per cent palomino color offspring, and what per centage of palomino color colts may be expected by crossing animals possessing genetic constitutions "diluted" in palomino color pigment.

Food Sale For Purchase of Lot

The Seventh-day Adventists are at present holding their services in the "Guild Hall" 1540 Locust Street, Walnut Creek, pending erection of their own church in the near future.

Pastor W. A. Westerhout stated that new quarters are needed to meet the demands of the ever growing congregation. Members at present come from Lafayette, Danville and Concord.

The Dorcas sale raised \$58.54 stated Mrs. J. Peters and Mrs. O. McMurray, members in charge of the sale.

"We wish to thank, at this time, all those who helped make this sale a success," Mrs. Peters said.

Canyon Callings . . .

By LORRAINE ATKINSON

WE HEAR THAT:

The Rice family recently spent a few days visiting Harry's mother, Mrs. Ellt Rice, in Visalia.

Pearl Goss reports having a very nice week-end visit in San Jose.

The Canyon Youth Fellowship is planning to attend the sunrise service at Woodminister, followed by a trip to San Francisco to distribute Easter baskets to children in the Children's Hospital.

Murphy's, in the Mother Lode country seems to be very popular with Canyonites. Curly and Alice Busan visited there recently and took as their guests, Grace and Joe Knipe. The Shally family is spending Easter vacation there also, at the home of the Klump's,

parents of Gladys Shally and Alice Busan.

The Fred Leuthold's are the proud parents of a new baby daughter, born April 8th at Alta Bates Hospital in Berkeley.

The Clyde Engle's celebrated their 15th wedding anniversary with a dinner party recently.

John Thune and offspring Caroline and Johnny, spent a grand week-end skiing at Donner Pass.

The Carl Snead's of Auburn, former Canyonites, were house guests of the Ivan Pines recently and enjoyed renewing old friendships in the Canyon.

BUSINESS TRIP

Mr. Stanley Hill was away several days this week in Eugene, Oregon, on business.

GOVERNOR WARREN JOINS IN CANCER APPEAL—California's Gov. Warren signs proclamation declaring April "Cancer Control Month" and calls on all citizens to "lend their full support" to the annual educational and fund raising campaign of the American Cancer Society which opens April 1. Pictured with the governor at his office in Sacramento during ceremony are Mrs. W. Farmer Fuller, Jr., San Mateo, State commander of the ACS, and Superior Judge B. F. Van Dyke, president of the Sacramento branch.

Telephone Rates Are Increased

Using a pay station telephone might save you a nickel but the interim rate change permitted by the California Public Utilities Commission will probably get the five pennies back from you.

Under the ruling, coin boxes in extended service areas have local call classification and a call to Walnut Creek costs five cents, by coin box stations, that is. But most rates are increased under the interim agreement, according to John Greenlough, manager of Walnut Creek telephone office, and the following schedule is now in

effect for private phones which do not have extended service.

Lafayette to Oakland, 15 cents (Same as Walnut Creek to Oakland), old rate, 10 cents; Lafayette to San Francisco, 20 cents (Walnut Creek to San Francisco, 25 cents), old rate, 15 cents; Lafayette to Walnut Creek, 10 cents (same as old rate).

For your printing needs at sensible prices call Lafayette 2222.

Cancer Campaign Set During April

American Cancer Society makes its drive for funds this month to support its three point fight against Cancer — through education, research and service.

Mrs. Aubrey Macomber has been appointed chairman for Contra Costa County by Charles R. Blyth, state campaign chairman.

QUOTA FOR COUNTY

Mrs. Macomber reports the minimum quota for the county is \$10,000, and has stressed the particular importance of the success of the present drive. 40% of approved research projects were turned down because of lack of funds and appropriations to projects were reduced 54%.

County Headquarters of the American Cancer Society are located at 100 Oak Grove Road, Concord.

The county drive is being conducted by members of the Soroptimists Clubs, Women's Clubs, P.T.A., and Home Departments of the Farm Bureau. Mrs. Phyllis Slingsby, publicity chairman for the county, will announce local chairmen and committees as the city headquarters are established.

VOLUNTEER DONATIONS

As there will not be a house to house canvass, residents are asked to volunteer their donations. Coin containers will be placed in the business areas, and centers will be established for information and to receive subscriptions. Checks should be made payable to the American Cancer Society and mailed to the County Headquarters — 1000 Oak Grove Road, Concord. All checks received will be credited to the locality from which they are mailed.

As stated by Governor Warren in his State appeal, "Cancer is everybody's business and everybody's help is needed in this fight to save lives and suffering."

Girl Scouts Equipment Store Opening Held

Diablo Valley Area Girl Scout Council's grand opening of a Girl Scout equipment store at Tots N' Teens Shop in Walnut Creek was held Saturday. Girl Scout souvenirs were given to every Scout who signed the Register Book and there were special gifts for every 25th completed sale.

All Girl Scout equipment such as Brownie, Intermediate, and Leader's uniforms and equipment, Girl Scout handbooks, all types of song books, nature books and Leader's Guides; camp uniforms, Girl Scout stationary jewelry, handkerchiefs, etc. are obtainable. Also Scouts can have robes, slippers, slacks, T shirts, shorts, swimming suits and socks with the Girl Scout emblem or Brownie emblem on each piece.

To purchase Girl Scout uniforms and accessories (only) girls or their parents must have either their membership cards, their pins or a signed note from their leaders or the Girl Scout office.

Any other Girl Scout equipment carried by the equipment store at Tots N' Teens can be purchased without identification.

The only things not available at the Tots N' Teens shop are Girl Scout badges, pins, troop numerals, crests and similar Girl Scout insignia, these must be purchased, as they have been in the past, through the local Girl Scout office at 1783 Main Street, Walnut Creek.

HOW MODERN MIRACLE OF DESIGN MAKES THE NEW DODGE DIFFERENT!

Different!

LONGER on the inside
... SHORTER outside!

Different!

WIDER on the inside
... NARROWER outside!

Different!

HIGHER on the inside
... LOWER outside!

WHO SAYS all cars are alike? Just look at the new Dodge, the car that dares to be different! Different in the sleek lines that flow from true functional styling. Different inside—and out!

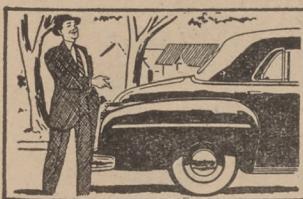

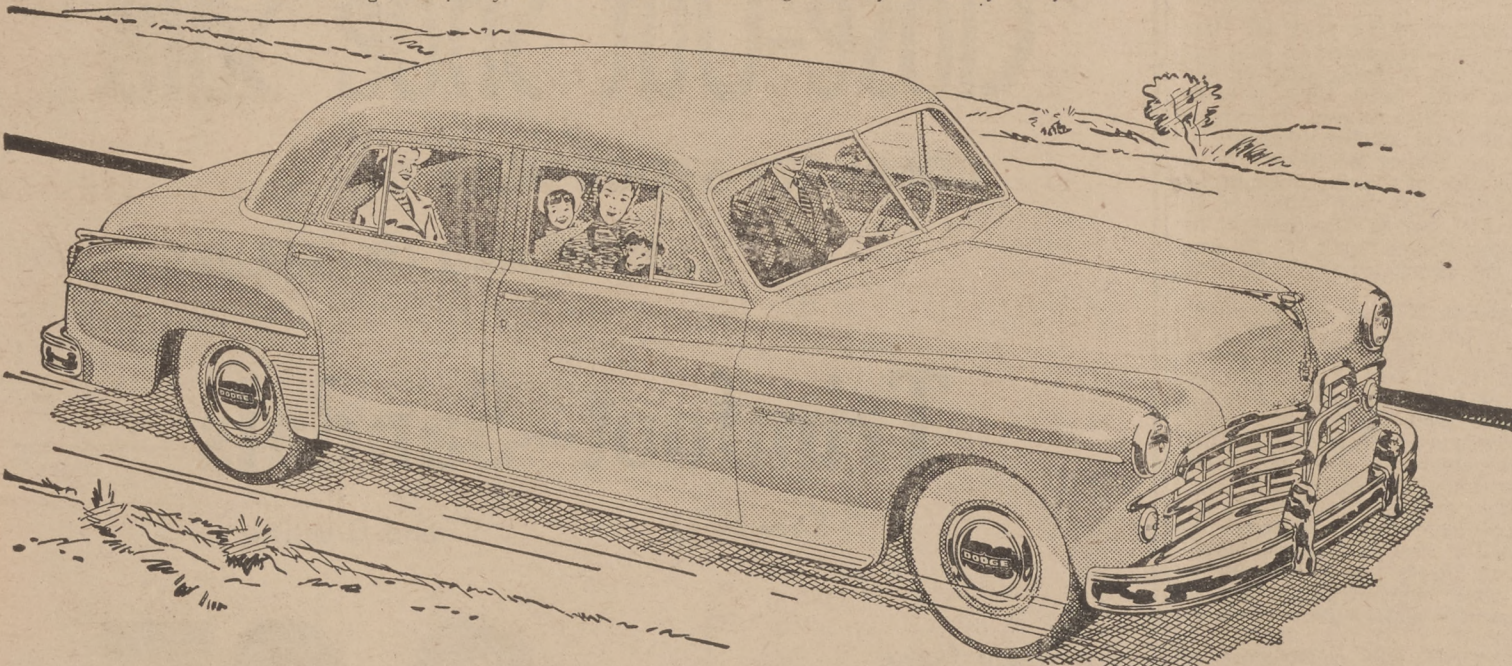

Inside, this new Dodge is bigger three ways—longer, wider, higher! But outside it is actually shorter, narrower, lower. No bulky lines to balk you when parking or garaging your new Dodge.

Here is a miracle of design that puts your comfort first. Wide

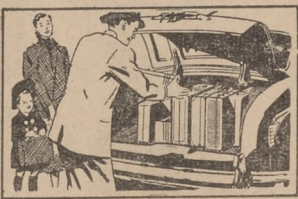

opening doors that make it easy to get in and out . . . inside all the head room, leg room, elbow room you could ask for.

Topping all, is the flashing performance of the famous Dodge "Get-Away" Engine . . . the velvety smoothness of Dodge All-Fluid Drive.

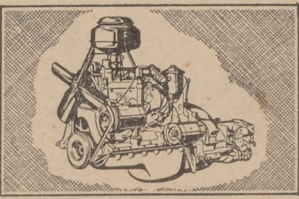

Before you decide on any car, see how much more Dodge gives for your money today!

FENDERS are bolted on . . . easy on your pocketbook to repair, or even replace, if dented or damaged.

LUGGAGE COMPARTMENT . . . big as all outdoors. Spring-balanced lid raises and lowers at fingertip touch.

The expense of said work and improvement hereinbefore described in Section 1, First, hereof, and on Sheets 1 to 3, both inclusive, shall be chargeable upon an assessment district hereinafter established.

SECOND: The construction of sanitary sewers and appurtenances in accordance with said plans and specifications in the following easement in said Sanitary District as it and the proposed work in relation thereto is shown on Sheet 1 of said plans and specifications:

EASEMENT, (Parcel 18), described in deed from Orinda Country Club to said Sanitary District recorded May 12, 1948, file No. 18263.

The expense of said work and improvement hereinbefore described in Section 1, Second, hereof, shall also be chargeable upon said assessment district hereinafter established.

THIRD: The office of the Recorder referred to hereinabove is the office of the Recorder of the County of Contra Costa, State of California, and Official Records and file numbers hereinabove referred to are Official Records and file numbers of said Recorder. The letters M. H. and F. I. herein used refer to and mean Manhole and Flushing Inlet, respectively.

In the foregoing description, wherever right of way, easement, street, or other public way is described wherein work is to be done, it is the intention that said work shall also be extended so as to connect the same with the sewer work to be constructed nearest to said right of way, easement, street or other public way, and at the point in said proposed work where a manhole or other connection is shown on said Plans therefor, unless otherwise shown thereon. The width of all easements described by reference to a center line is measured at right angles.

FOURTH: Said work shall include the refilling, compacting and resurfacing of the trench in which said sewer and appurtenances are constructed.

SECTION 2. All said improvement and work shall be done of the sizes, dimensions, and materials and in the positions and locations as shown upon, and all in accordance with, the Plans and Specifications therefore heretofore adopted by said District Board and now on file with the Secretary of said Board, which said Plans and Specifications are hereby referred to and made a part hereof by reference.

SECTION 3: That in the opinion of said Board, said work is of more than local or ordinary public benefit, and said Board hereby orders that the cost and expenses of said work and improvement shall be chargeable and charged upon a district, which district is hereby declared to be the district benefited by said work and improvement and which is to be assessed to pay the cost and expenses thereof.

The exterior boundaries of said assessment district and the extent of the territory included therein are shown upon the map of said district approved and adopted by said Board on the 7th day of April, 1949, and now on file in the office of the Secretary of said Board, to which map reference is hereby made for a particular description of said boundaries and the extent of said territory included therein to be so assessed; saving and excepting therefrom the area of all public streets and other public ways included therein.

SECTION 4: That the proceedings for said work and improvement shall be had and taken under and in accordance with Division 7 of the Streets and Highways Code of the State of California. ("Improvement Act of 1911")

NOTICE IS HEREBY GIVEN that the Health Officer of said County of Contra Costa has recommended in writing to said Board that said proceedings for said work be instituted as a necessary health measure and said Board heretofore ordered said recommendation spread upon the Minutes of said Board and by Resolution adopted by the affirmative vote of four-fifths of the members of said Board found and determined that such necessity exists.

SECTION 5: That serial bonds shall be issued pursuant to Part 5 of Division 7 of said Streets and Highways Code (Improvement Act of 1911) to represent the unpaid assessments of Twenty-five Dollars (\$25.00) or over for the cost

of said work, said bonds to bear interest at the rate of SIX PER CENT (6%) per annum, to extend for a period of nine (9) years from the second day of January next succeeding the next October 15th following their date, and to be payable in annual installments, the last installment thereof to mature nine (9) years from the second day of January next succeeding the next 15th day of October following their date, said bonds and the interest thereon to be payable as provided in said Code.

SECTION 6: That Thursday, the 28th day of April, 1949, at the hour of 8:00 o'clock, p.m., of said day, and the meeting place of said Board, 1822 Mt. Diablo Boulevard, City of Walnut Creek, in the County of Contra Costa, State of California, be and the same are hereby fixed as the time and place, when and where any and all persons having any objection to the proposed work and improvement or to the extent of the district to be assessed, or both, may appear before said Board and show cause why said proposed work should not be carried out in accordance with this Resolution of Intention.

SECTION 7: That the Engineer of said District shall cause to be conspicuously posted along the line of said work and improvement, in the manner and form required by law, notices of the passage of this Resolution.

SECTION 8: That the Secretary of said Board shall certify to the passage of this Resolution and shall cause the same to be published twice, as required by law, in the Orinda Sun, a newspaper published and circulated within said District and hereby designated for that purpose by said Board.

SECTION 9: Said District Board does hereby direct its Secretary to mail notices of the adoption of this Resolution of Intention to all persons owning real property proposed to be assessed for the work herein described, whose names and addresses appeared on the last equalized assessment roll of the County of Contra Costa or as known to the Secretary, the con-

tents of said notices to be as required by law.

PASSED AND ADOPTED by the DISTRICT BOARD of CENTRAL CONTRA COSTA SANITARY DISTRICT of CONTRA COSTA COUNTY, State of California, this 7th day of April, 1949, by the following called vote:

AYES: Members Smitten, Toland, Weill and Wadsworth.

NOES: Members None.

ABSENT: Members Johnson, R. E. WADSWORTH, President of the District Board of Central Contra Costa Sanitary District of Contra Costa County, State of California.

COUNTERSIGNED: NEILL C. CORNWALL, Secretary of the District Board of Central Contra Costa Sanitary District of Contra Costa County, State of California. (SEAL)

Curtain Calls: Double Feature Set for Saturday

Orinda children are beginning to feel that the Orinda school is just about tops. Each Saturday morning with the new playground director's supervision there are at least three or four baseball games and different sports for the different ages. Then after lunch comes the show.

This Saturday will give everyone an extra treat as a special Easter program has been planned. There are many parties planning to attend with special Easter candy. Saturday's movie program includes a double bill, "Fighting Lady" and a western.

Last Saturday proved that, rain or shine, the children really like the show. The weather was so nice and yet there was an especially large crowd at the show.

There were several birthday parties and among the children who were celebrating were Mike Gilvan, Susan Allen, Mary Gilvan, George Harrison, John Bartell, Carol Biabant and John Dodge.

Arnold - Stoddard Wedding Sunday

Robert Arnold and Miss Beverly Stoddard were married Sunday at the Methodist Church in Willits at a quiet wedding with friends and relatives attending.

Robert is the son of Mr. and Mrs. John Arnold, Orinda, and the bride's parents are Mr. and Mrs. Edward Stoddard of Willits. The couple will be at home in Chico, California, where Robert works for a construction company.

VISITORS FROM UTAH

Mrs. W. E. Evans of Salt Lake City is visiting her son and daughter-in-law, Mr. and Mrs. J. V. Evans, Mrs. Evans will be in California for several weeks.

Guild Board Plans Luncheon, Hear Reports

Executive Board of the Orinda Women's Guild met for a luncheon and business meeting March 31 at the home of Mrs. Challis Gore. Plans for the annual June luncheon were further developed. This year this popular affair will be held at the beautiful Joseph M. Long home, 10 Lombardy Lane in Sleepy Hollow.

SPEEGAL GUEST SPEAKER
Besides a delicious lunch, there will be the added attraction of hearing Paul Speegal, Radio Editor of the San Francisco Chronicle.

At this board meeting a new constitution for the Guild to go into effect in January 1950 if adopted, was read and discussed.

CARE REPORT
Among the reports of the various officers and chairmen was a most interesting one by Mrs. Jesse McMillan, chairman of Philanthropy. She said that 23 CARE packages had been sent out by the Guild and individual Guild members. These included 11 food packages, 4 woolen, 4 cotton, 2 knitting wool, 1 blanket, and 1 package of infant wool. In cost these amounted to \$230.

Besides the CARE packages, 450 pounds of used clothing, shoes, toys and food had also been sent to Germany, Italy and China.

LETTER FROM GERMANY
Mrs. McMillan read one of the typical thank-you letters from recipients of gift packages as follows:

"Fischenich, the 21th of March, 1949
Dear Ladies,

I ought to be an author to describe the great joy of the whole family, the silent admiration of us the parents, as well as the ecstatic outcry of the children when we are seeing your gift parcel, CARE with its great number of boxes and packages.

My knowledge in English is not sufficient enough to do this in right manner. But I can say our thanks to you for your donation, and pray to God who helped us in this manner. Now can we see in the next future with good hope. This parcel came in time.

Both children were fallen ill for a few weeks. First after having both the whooping cough, has the little girl now the measles. Today she was getting up the first time from bed. And the same day she gets up her brother, the little school boy Kurt lays down when he comes home from school with red cheeks. He has a little influenza. Therefore, all the good things of the parcel are right for them in order to recover from illness.

You have taken away a great care from us the parents of two little and lovely children. Many thanks for your kindness. Heartily greetings and good wishes for all of you.

Sincerely,
Fridel and Kurt Offermann"

ALL AROUND ORINDA

WITH THE ROUNDER

With the tragedy of little Kathy still a recent event, how about some of the local powers-that-be doing something about a situation in our own back yard that could cause a lot of heartbreak?

It's true that the Old Tunnel is all boarded up and abandoned — but who ever heard of adventurous boys who couldn't remove such a barricade if they really wanted to do a bit of exploring?

And suppose something gave way in the old tunnel while they were doing their exploring? It could happen. But any possibility of such an unhappy happening could be eliminated if the tunnel were filled — or purposely collapsed.

AIR AGE

The GENE TRAGOS were sipping something on the airstrip in L. A. at 9:30 the other eve — boarded a Robin Line plane — were sipping something on the Tunnel Strip at 11:30.

QUESTION?

And BONES REMMER, natty

attired for Spring including a bow tie, was anchoring a stool at the Casa the other night. Which causes a bit of speculation. Where does one get a bow tie that fits a neck such as Bones'?

See where a movement has been started to clear an area on Bear Creek Road of trespassing cows so that a Boy Scout camp may be set up. We've had trespassing pooches shot. Now all we need is a cow shooting episode to really foul up the Sheriff's office.

JERRY PEARE, the Ice Box boss, was getting a bit of his own medicine the other day and night. Gave his girl a day off and jerked sodas himself for the first time in his life. But with the ingredients they use at the Ice Box who could make a mistake? Incidentally kids, they have the only five cent cone we've been able to find in Orinda.

PREXY AGAIN

MIKE MURPHY moves out as Dramateur prexy next month — moved in as president of the Barbershoppers this month.

To the list of distinguished members of the Dramateurs' cast for "January Thaw" add JUNIOR and SIS. Already boasting of a School Board candidate, a budding cartoonist and a real estate broker among others, the Dramateurs have added to the cast the only theatrically inclined pigs in the area.

And it's our guess that the future bacon slabs will steal the show — vocally if not dramatically. Had them at the NATHAN GRARS the other night at rehearsal, and despite rumors to the contrary it is not necessary to poke a porker with a pin to make it squeal.

KEENE PETTENGILL had one of them under each arm while he posed for pictures for the SUN, and the racket they made must have had every Oak Spring citizen out on the porch looking for a fire.

SIDE NOTE:

LILA MURPHI was lending her

finger to one of the pigettes — who still take nourishment from a bottle — and commented that they still had no teeth. The little guy proved differently and sent Lila looking for a band-aid.

IRV GOLDSTINE recently received his pilots license and took his three children for an air tour the other day. Is now working toward a commercial pilot's license.

It's common knowledge, we hear, but it startled us. All those county cars in the sheriff's department are registered in the sheriff's name.

The BILL GARRISONS, former Orindans — more recently Hawaiian residents — are returning to the mainland. Will live in Healdsburg.

LEON WOOLSEY gave daughter JOAN an Oldsmobile convertible.

GOT ROCKS GORDON of Oak Springs lost his warehouse and everything in it when fire destroyed it last week in Lafayette.

Birthday Parties Are 'In Season'

GINGER KETSDEVER

Ginger Ketsdever celebrated her fifth birthday on Monday with a party for her friends. The children enjoyed the usual favorite games of pin the tail on the Donkey and clothes pins in the basket. Ginger's guests were Nancy Mott, Karen Collings, Peter and Michael Yedidia, Suzanne and Drucilla Dunshie, Janet and Denny Lucas and Ginger's sister, Carol.

DAVID KING

Four-year-old David King had a big birthday party April 2. Guests of honor were his grandparents from Martinez, Mr. and Mrs. W. A. King, and his grandmother from Oakland, Mrs. Elizabeth Schwantes. David enjoyed opening all kinds of wonderful presents and eating delicious ice cream and cake with the following guests: Bobby Blue, Jeannie

and Johnny Thurston, Albert Johns, Janice Twining, Sandra and Janet Jones, Norman and Karen Vanhole, Billy Caldwell, the latter three from Oakland, Sharon and Michael Honnold of Davis, and his brother, Paul.

MICHAEL GILLIVAN

Michael Gillivan had a delicious chicken dinner for some of his friends on his seventh birthday, then the party went to the "Teatro Para Ninos." His guests were Milton Howe, Michael Bigler, Lawrence, Burdette Hoecker, Barbara Campbell, Suzanne Schwatka, Bobbette Root, Patty Ann Brown, and Mary Ann Gardiner.

RAY SCHWEIZER

Ray Schweizer had fun at his fifth birthday party, eating candy, cake and ice cream and looking at motion pictures with his friends. Helping Ray celebrate were Steve Miller, Gieg De Witt, John Dutton, Carl Ogden, Christin Garneau, Vaughn Smith, Nancy Burke, Nancy Turner and Bobby and Suzy Rochester.

'Seven Last Words' Good Friday Theme

Good Friday Services are being held today at the Community Church continuously from noon until 3 o'clock, according to announcement of the minister, Rev. Fred Morrow.

At 12 o'clock noon, at 1 o'clock, and again at 2 o'clock, he will lead in group worship and give brief readings related to the Seven Last Words on the Cross. Intermediate periods will be given to organ music and the opportunity for individual prayer and meditation. The public is invited to attend either all or part of the three-hour vigil.

Patty Boehm Celebrates Seventh Birthday

Patty Boehm, daughter of Mr. and Mrs. Arthur Boehm, celebrated her 7th birthday on Saturday. Guests who enjoyed the dinner party and movies were Barbara Bowman, Susan Henry, Betty Jean Pheile, Jean Marlow, Marty DeMayer and Diane Dunnigan.

BOEHMS ON TRIP

Mr. and Mrs. Arthur Boehm are spending this week in Los Angeles on a business-pleasure trip.

TO SANTA CRUZ

Taking advantage of their Easter vacation, ten young people spent the day on the beach at Santa Cruz. They were Clare Stoffel and Pete Larmer, Gail Barges and Roy Vanden Heuvel, Nancy Brooks and Marshall Freeman, Laverne Durent and Lloyd Torchio, Joyce Spark and Bob Cowden.
